- 1 **SH:** D'Angelo?
- 2 **DL:** Yeah.
- 3 **SH:** He, he mentioned that this is the work we're supposed to, not that we have done but that
- 4 we're going to do. I dunno, I'm, you seem to be unclear on it all. So I caught myself trying to,
- 5 trying to clarify and perhaps, perhaps I, I thought maybe that might help.
- 6 **DL:** I mean, that's not the way we discussed it. And for it, I mean, that bothers me that it's said
- 7 one way and then it gets to me another way. I don't, that just disturbs me. Tryin to, you know,
- 8 that's not the way we had discussed it when I left him. So, if that's the way he decides it to be
- 9 then that's the way it is. So he has the final decision. But I'll have that conversation with him.
- 10 **SH:** Okay.
- 11 **DL:** Bye.
- 12 **SH:** Bye.

- 14 **Call Ends.**
